# BUILT AFRICAN-TOUGH

## YOU ARE AT THE HEART OF WHO WE ARE

Isuzu has been a leader in manufacturing some of the *toughest, safest* and most *innovative* vehicles since 1916 – claiming the longest history of any Japanese vehicle manufacturer and the largest commercial diesel engine specialist. With over 25 million engines built to date, Isuzu has proven to exceed expectations in areas of *performance, reliability, versatility* and *fuel economy*.

There's an unrivallable spirit of *adventure, determination* and *excellence* engrained into the DNA of every Isuzu. While the Isuzu KB range has been part of South African's fibre for 40 years, Isuzu has had an 80-year long commitment to the environment, its partners

and communities in South Africa, which has earned it a reputation of *authenticity* and *innovative design*.

In the spirit of innovation, the Isuzu KB has evolved into the Isuzu **D-MAX** – a bold new name bearing the same stripes. It still promises a slick exterior, luxury interior, bold stance and multi-purpose *flexibility* made for local conditions, business and leisure.

The Isuzu **D-MAX** is a new name for a brand you've come to depend upon. You can therefore expect the same *range, quality, durability* and *value* synonymous with the **ISUZU WAY!**

## ISUZU D-MAX

## DISCOVER THE ISUZU D-MAX

### *MAXIMUM MUSCULAR STYLING DELIVERED*

The Isuzu **D-MAX** will undoubtedly boost the level of toughness and safety you've become dependent upon, thanks to system upgrades which improve its performance and extends the life of your most trusted partner. While upgraded mechanical components increase comfort and efficiency, no expense was spared to enhance the muscular new styling.

*It's new features like Bi-LED headlights with LED Daytime Running Lights, a colour-coded radiator grille, chrome front fog lamps, convenient sliding rear window, side-steps, chrome exterior side mirrors and statement-setting 16" – 18" alloy wheels sets the **D-MAX** apart from its proud predecessors.*

The Isuzu **D-MAX** delivers on the muscular styling and peace-of-mind performance that comes standard when you buy an Isuzu – add in refined interior ride comfort and any journey is a pleasure. Whether it's a long trip or a jaunt across the fields, your Isuzu **D-MAX** looks and performs like a pro.

D-MAX

# REAL TORQUE REAL PERFORMANCE

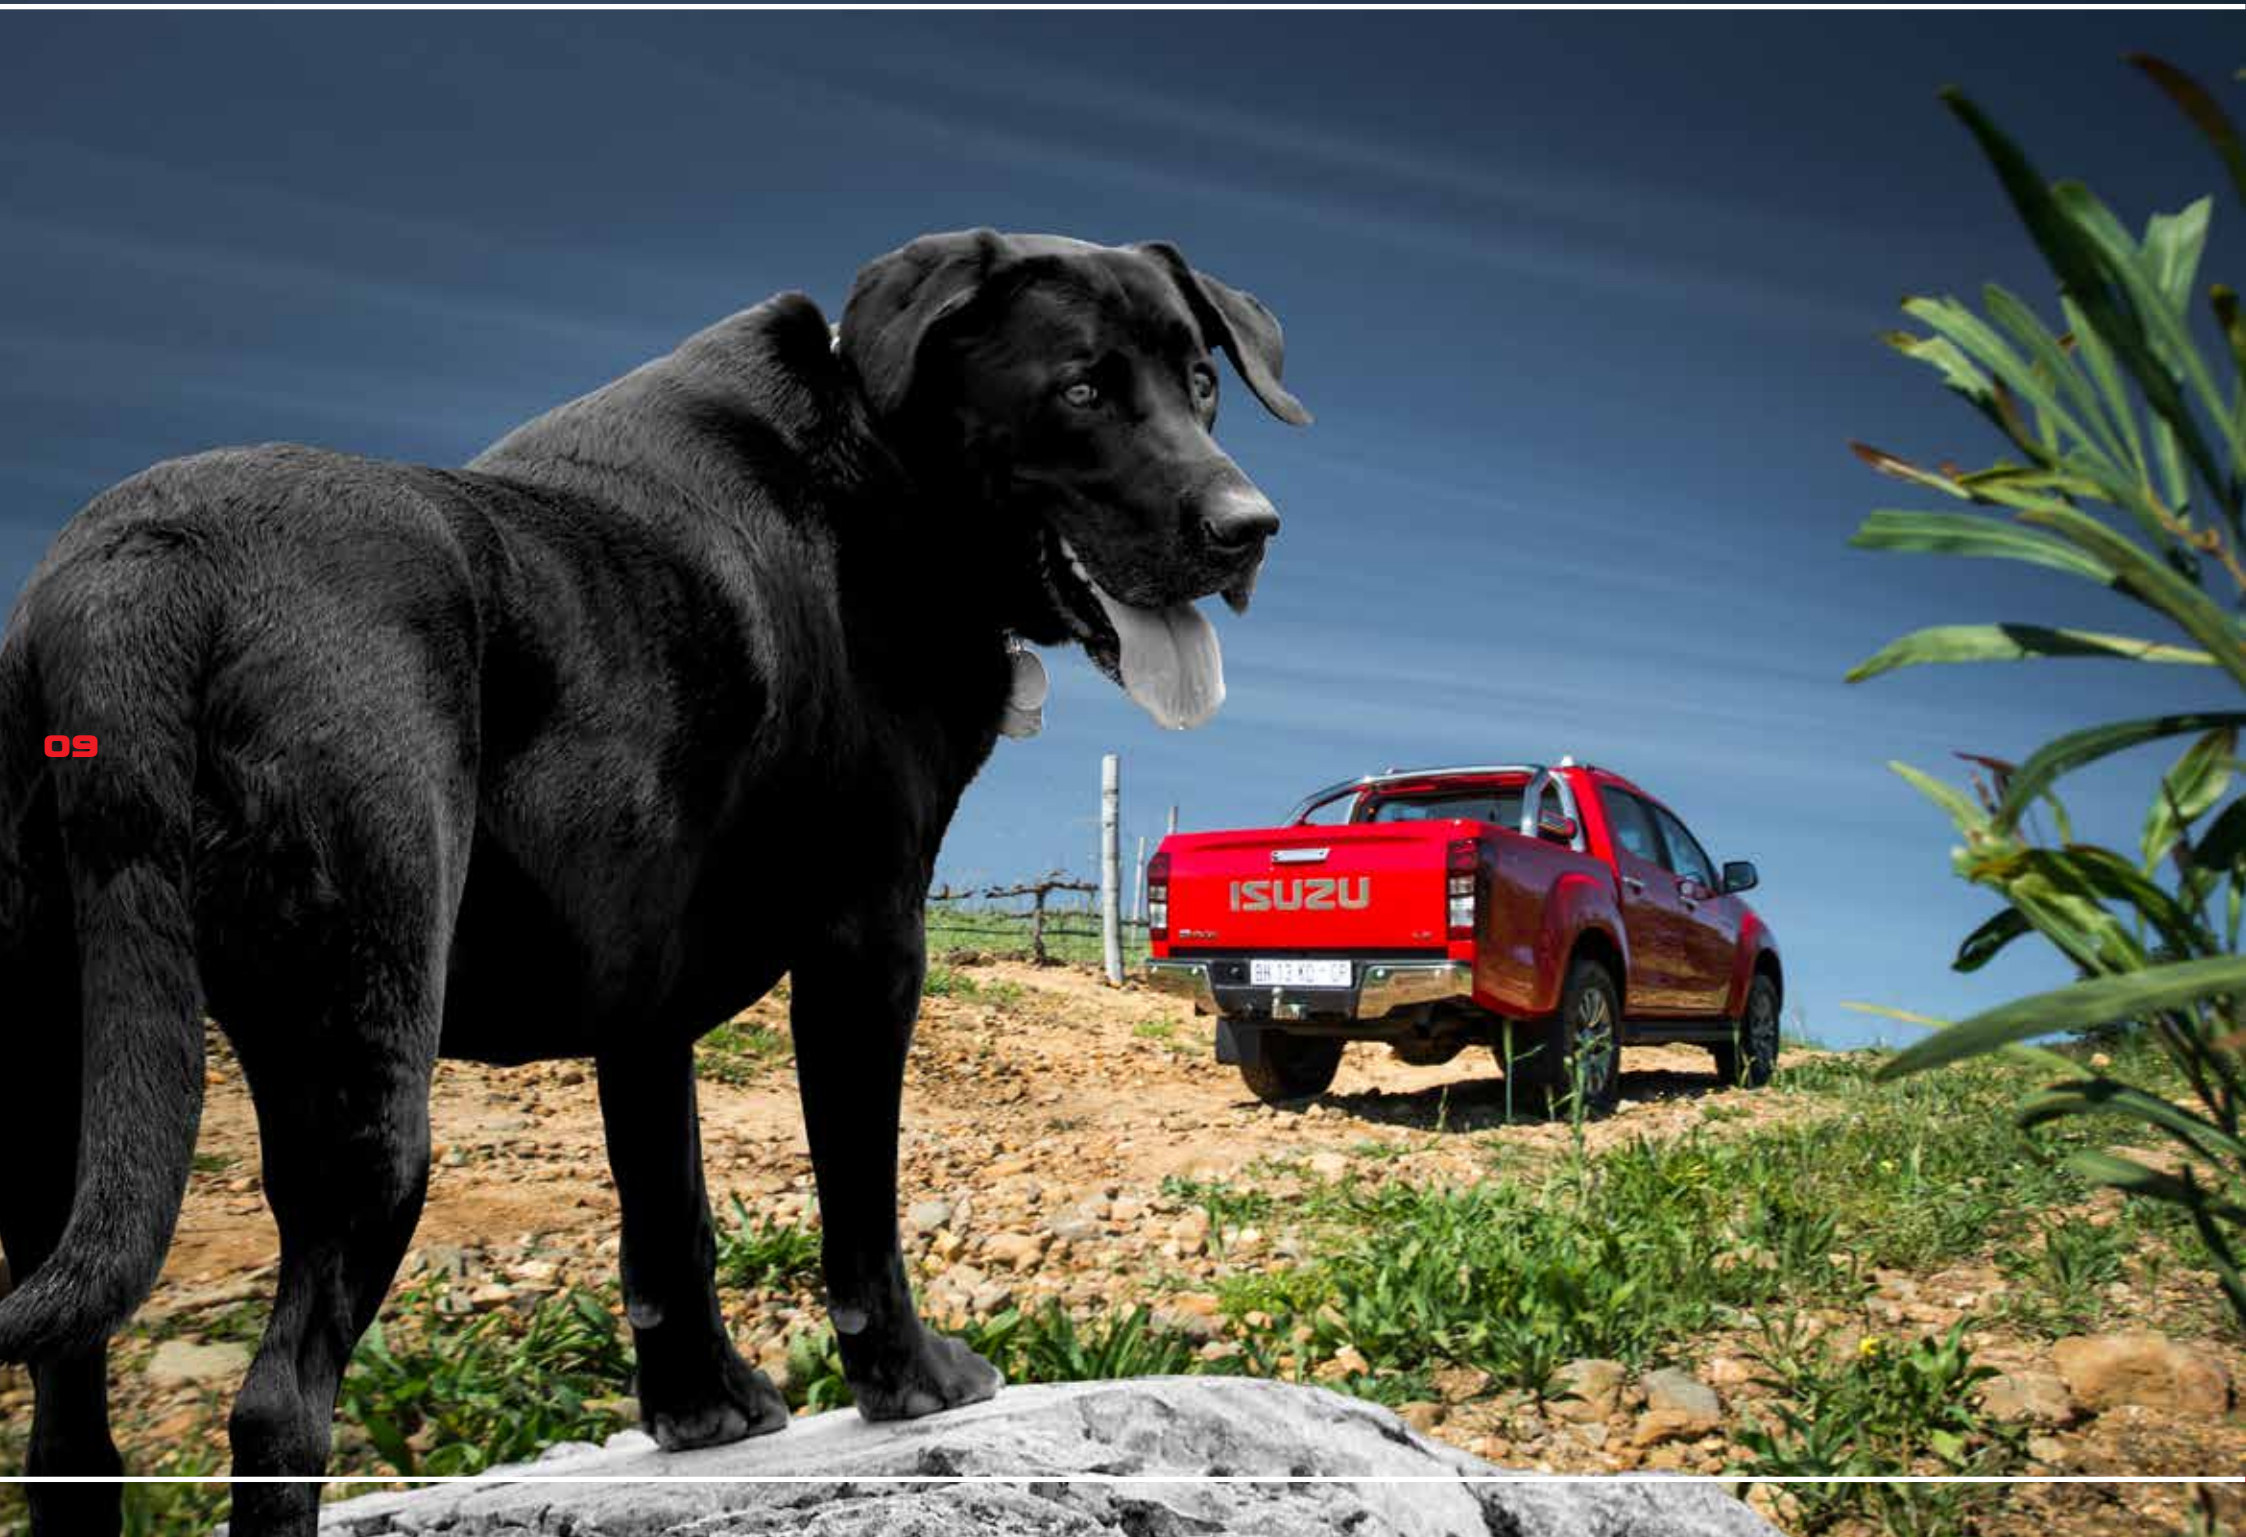

At the heart of every Isuzu lies a refined and reliable engine that allows you to fulfil your passions – whether business or pleasure. The **D-MAX** is capable of delivering up to 130 kW of Power, 380 Nm of Torque and an optimised manual or automatic 5- or 6-speed transmission which allows for a dynamic driving experience. Your **D-MAX** is committed to you, because with the right partner *anything is possible!*

THE POWER LIES  
WITHIN

D-MAX

## MAXIMUM PERFORMANCE

### ISUZU MAKES THE IMPOSSIBLE, POSSIBLE

Its class-leading fuel efficiency and legendary power – in part due to its excellent aerodynamic exterior design – is what sets Isuzu apart. The **D-MAX** will deliver *reliable power, more usable torque* and *unrivalled fuel efficiency* with a *Euro 4 emissions rating\**. It's the perfect vehicle solution for business and recreation, as well as for the eco-conscious.

Equipped with a *refined turbo-charged diesel engine* and state-of-the-art *manual* or *automatic* 5- or 6-speed intuitive transmission, the **D-MAX** will give you maximum control while achieving optimum fuel efficiency. So whether you're crossing deserts, scaling mountains or traversing the back roads to some of your greatest discoveries, the **D-MAX** provides you with maximum confidence.

\* APPLICABLE TO ALL 3.0 LX MODELS

D-MAX

## WE PLAY IT SAFE SO YOU DON'T HAVE TO

Your **D-MAX** will play host to some of your most valuable cargo, which means it not only is built to fit your lifestyle and all in it, but you're assured that all effort has been exhausted to ensure your total safety. Isuzu's commitment to your safety is built into the very fibre of your **D-MAX** – evident from the *cutting-edge safety* and *security* features such as *driver, passenger, front seat side* and *curtain airbags*, an *energy-absorbing front section* and *side impact anti-intrusion bars*.

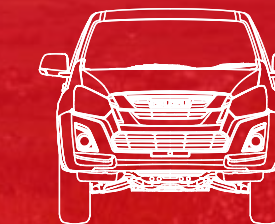

The **D-MAX** is also constructed around a tough cabin structure, which protects you and your passengers in the event of a collision, while *ESC*, *ABS* and *EBD* prepare you for the unexpected.

### GROUND CLEARANCE

225 mm ground clearance – allowing you to negotiate the toughest terrain.\*

\*Only applicable to the Hi-Rider Extended Cab.

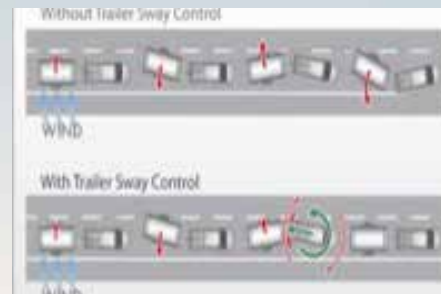

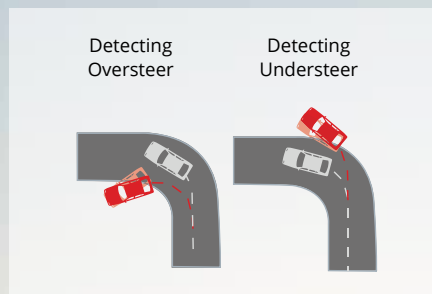

**D-MAX**

## MORE THAN EQUIPPED TO COPE

### TOWING AND LOAD SPACE

Your **D-MAX** comes with high levels of refined and improved specifications, and a class-leading spacious interior. The **D-MAX** stretches out to **5 314 mm in length** and is up to **1 860 mm wide**, which guarantees a surefooted stance and ample loading space. Available in **2.5 litre and 3.0 litre diesel engines, 4X2 or 4X4** while delivering up to **380 Nm** and **130 kW**. The **D-MAX** is capable of towing up to **3 500 kg** and is designed to thrive in any environment, giving you the confidence to hold your ground come what may.

16

# HOLD YOUR GROUND

## HILL-START ASSIST

No longer will you roll back when pulling away on an incline. *Hill-Start Assist (HSA)* will hold the brakes for two seconds or until propulsion is detected.

## HILL DESCENT CONTROL

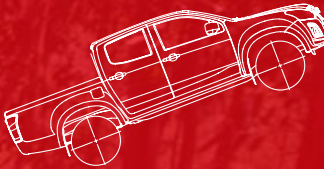

At the push of a button you can enjoy a smooth and controlled hill descent in rough terrain, thanks to *Hill Descent Control (HDC)* which engages the *Anti-Locking Braking System (ABS)* to brake the wheels even on slippery surfaces.

SELECTED FEATURES ARE ONLY AVAILABLE ON SELECTED MODELS

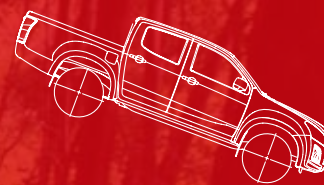

## HILL-START ASSIST

HSA supports the vehicle on a steep ascent.

## HILL DESCENT CONTROL

HDC engages the ABS to facilitate safe descent.

FOR YOUR UPS & DOWNS

ONLY THE TOUGH WIN AGAINST ALL THE ODDS!

**TYRES**

Low rolling resistance tyres for improved fuel efficiency on tarred roads.

**TAR**

**TRACTION**

Traction control limits tyre slip on slippery surfaces.

**WET**

**STABILITY CONTROL**

Electronic Stability Control (ESC) with traction control will improve stability by automatically detecting and reducing loss of traction, which helps you stay in control and avoid crashes or skidding.

**SAND**

**DIFF-LOCK**

Diff-Lock provides increased traction by locking the wheels on the same axle to rotate evenly.

**ROCK**

### TRAILMIX

**Raw Energy:** Walnuts, pumpkin seeds, sunflower seeds, cinnamon, nutmeg, sea salt, dried apricots, dried cranberries.

**Peanut Butter Fun:** Banana chips, peanut butter chips, salted peanuts, almonds, dark chocolate chips.

**Spicy Blend:** Almonds, pecans, walnuts, sunflower seeds, pumpkin seeds, sea salt, garlic powder, chilli powder, ground cumin.

NEED A  
LITTLE BOOST?

## ROCK-STEADY HANDLING

### TRACTION CONTROL

Just like the terrain, South African weather conditions are unpredictable – traction control however gives you that *extra confidence* when the heavens open and the road surface becomes slippery.

### REFINED SUSPENSION

Refined suspension guarantees a *smoother ride* on all road surfaces (including off-road) and improves your ride comfort.

### COMMAND TERRAIN DIAL

A rotary dial mounted behind the gearstick allows you to easily engage four-wheel-drive, while the same dial allows you to *access low-range gears* to climb up and over what lies ahead with ease.

### AUTOMATIC ENGINE BRAKING

Automatic engine braking provides *impressive control* when decelerating down inclines – automatically downshifting for additional stopping power.

## 'SOUTH AFRICA'S BEST-LOVED BAKKIE'

### STILL GOING STRONG

Your Isuzu is *versatile, tough and hard-working*. It can conquer just about anything you throw at it – off-road or on-road! During its *40-year partnership in South Africa* and 80 years in the game, Isuzu has become an integral part of South Africans' love of outdoor activities, as well as the ultimate business partner. While Isuzu is available in a variety of 4X4 and 4X2 models with varying levels of specifications – power, reliability and authenticity will remain in the DNA of every Isuzu.

As the bakkie of choice for business, leisure and everything in-between, we believe Isuzu has rightfully earned its title as '*South Africa's best-loved bakkie*', and will continue to develop innovative motor solutions that *add value to your life*.

### POTBROOD

500 g Selfraising flour  
1/2 Teaspoon salt  
20 - 30 ml Sugar  
1 Egg  
340 ml Beer  
(non-alcoholic)

Mix all the dry ingredients together, then add the egg and beer and mix thoroughly. Bake for one hour in a cast-iron bread pan, packing warm coals around the pan and some on the lid. Serve warm with a thick layer of butter and some biltong dust or jam.

GOOD FOOD  
GREAT VIEW!

D-MAX

D-MAX

**CLIMATE CONTROL**

From snow-covered peaks to snow-cone melting heat, Climate Control continuously adjusts the aircon and heater settings to maintain a desired temperature.

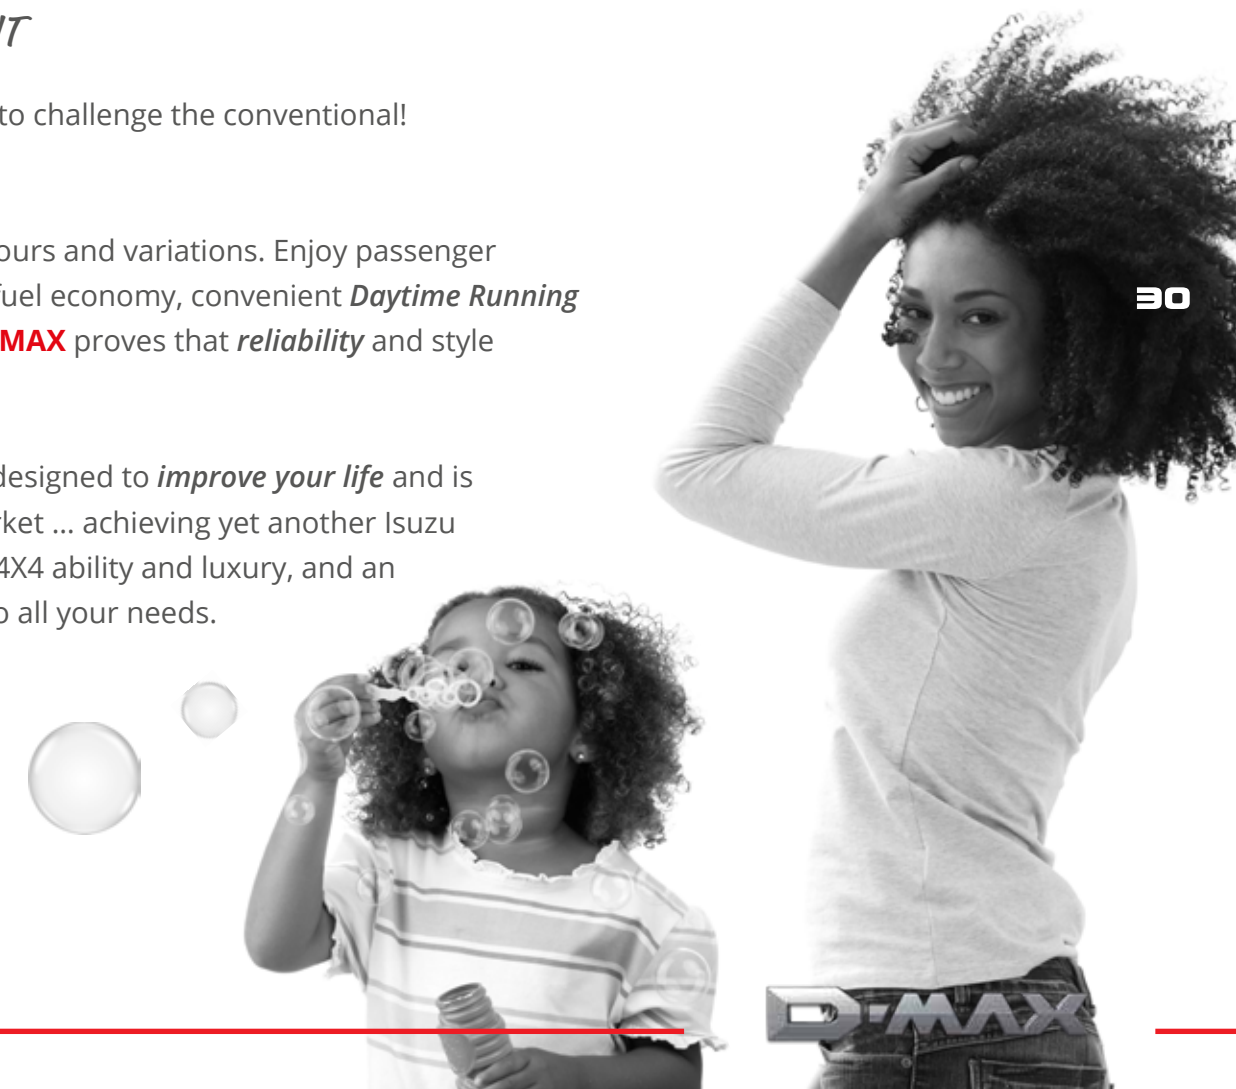

# WE'VE CHANGED OUR NAME NOT OUR HEART

## SAME-SAME BUT REAL DIFFERENT

The **D-MAX** is an Isuzu like no other – the one to challenge the conventional! It is both *hero* and *dependable* ally.

Express yourself and pick from a variety of colours and variations. Enjoy passenger car-like interiors, *durable toughness*, superior fuel economy, convenient *Daytime Running Lights* and *improved functional storage*. The **D-MAX** proves that *reliability* and style are not mutually exclusive.

Your Isuzu **D-MAX** isn't just a pretty face – it's designed to *improve your life* and is amongst the more affordable 4X4s on the market ... achieving yet another Isuzu triumph. The perfect combination of ultimate 4X4 ability and luxury, and an innovative motor solution designed to *adapt* to all your needs.

# DESIGNED TO IMPROVE YOUR STATUS QUO

## LEAVE YOUR MARK ON THE WORLD

The Isuzu **D-MAX** is available in 2.5 litre and 3.0 litre diesel engines and comes in a variety of striking colours: *Summit White, Son of a Gun Grey, Blue Me Away, Pepper Dust, Black Meet Kettle, Pull Me Over Red* and *Switch Blade Silver*.

Exterior features are functional and striking, while interior finishes are more akin to a passenger car than a 4X4. From the inside out, your **D-MAX** has everything you need ... built to get you to those places others have forgotten, or to help you achieve new levels of efficiency and success.

## MAX COMFORT

BECAUSE YOU DESERVE IT

The Isuzu **D-MAX** is a better way forward ... maintaining the same standard of design and innovative features like an 8" *touchscreen integrated infotainment system* with *Bluetooth®* and *Wi-Fi connectivity*, *iPod/USB ports*, as well as *embedded navigation*.

Entering your **D-MAX** is a hands-free process. Thanks to a *Passive Entry System* you can now access your vehicle without removing the keys from your pocket or bag. Once inside, finding lumbar perfection is simple, due to the easily *Adjustable Seats (6-Way)*. On top of that, the *3-Point Seatbelt*, avoids the belt cutting into your neck ever again. Strapped in? Now adjust your *steering wheel* by tilting it up or down to find the perfect position.

All this and more proves that the **D-MAX** is indeed a *dynamically designed* vehicle with superior comforts and safety innovations ... placing your entertainment and comfort at the top of the priority list.

## ISUZU FINANCE

We make thousands of decisions a day. One of them is making the purchase of an Isuzu for your business or for recreational purposes. Thanks to Isuzu Finance, we offer you a wide range of competitive finance and insurance plans developed for, and tailored to, your unique requirements. You can be assured that financing your bakkie through one of our approved dealers will be a breeze, because we're passionate about delivering exceptional customer service!

Isuzu Finance is a product of WesBank – a division of FirstRand Bank Limited, an authorised financial services and credit provider. NCRCP20.

### *FLEXIDRIVE*

Isuzu has recently introduced *Isuzu FlexiDrive* – just one of Isuzu's flexible finance solutions. *FlexiDrive* deals are tailored payment structures which enable you to remain behind the wheel of the latest Isuzu model. Isuzu *FlexiDrive* deals offer you **THREE easy options:** RETURN IT – REPLACE IT – RETAIN IT. Meaning you can RETURN your old Isuzu without any further payments or REPLACE it with any latest Isuzu or RETAIN your old Isuzu by purchasing it. It's that easy!

D-MAX

## ISUZU CARE

### YOUR WARRANTY

For real care-free motoring, all new Isuzu vehicles come standard with a **5-year/ 120 000 km warranty**. This 'bumper-to-bumper' warranty covers any unforeseen labour and component costs entirely FREE OF CHARGE, with the exception of normal wear items and routine servicing.

In order to maintain our high service standards, the warranty will only be valid if vehicles are serviced at an Isuzu Dealership on the specific service intervals. This means that parts are maintained and updates are performed properly – ensuring our vehicles continue to provide **reliability, economy** and **durability** for years to come.

### ROADSIDE ASSISTANCE

For peace-of-mind motoring, Isuzu roadside assistance is available in the event of an unfortunate vehicle breakdown, because we are dedicated to getting you and your valued passengers to your destination as **quickly, safely** and **hassle-free** as possible. Please note that this service is only supported in South Africa, Namibia, Lesotho and Swaziland.

## ISUZU MOBILITY

Your Isuzu purchase comes standard with a **6-Year / 200 000 km Isuzu Mobility Service Plan**, which means we've got your back. Our aim is to keep you moving and to ensure that you don't get stuck with unexpected costs while traversing the unpredictable South African landscape. The Isuzu Mobility Plan is designed to give you peace of mind and with the option to extend your **Maintenance Plan up to 6 years**.

## SERVICE PLAN

Worrying about vehicle servicing costing you a small fortune is something of the past, thanks to Isuzu's **5-Year / 90 000 km Service Plan** with **12 Months / 15 000 km Service Intervals**. Together these plans guarantee excellence, transparency and real peace of mind. Your Service Plan will help keep your vehicle on the road by making sure its recommended scheduled services are taken care of by qualified technicians at approved dealerships who use only genuine parts.

Now you can spend less time worrying about your vehicle's service and more time enjoying the open road.

## FACTORY -TRAINED TECHNICIANS

All our technicians are **'factory-trained'**, which means they have successfully completed a specific course offered by the manufacturer of parts for your Isuzu. Each of our Factory-Trained Technicians have the expertise and skills to successfully replace and repair parts, as well as provide sound advice.

D-MAX

(#1) Fuel Economy & CO<sub>2</sub> data as per ECE R101 / SANS 20101 Regulation. Note that the actual fuel consumption will depend on many factors, including the driver's driving habits, prevailing conditions & the vehicle's equipment, condition & use.

(#2) Towing capacity subject to South African Road Traffic Act. The weight of the towing vehicle including trailer towball load must not exceed the Gross Vehicle Mass (GVM). The combined weight of the fully loaded vehicle & trailer must not exceed the Gross Combination Mass (GCM). Maximum individual axle loads (GA1 & GA2) must not be exceeded. (e.g.: if a 3.0 L Diesel is towing 3 500 kg its Maximum Vehicle Mass is 2 500 kg in order to be within GCM). Date of print October 2018.

(#3) Payload – preliminary data shown for D-Max models

(#1) Fuel Economy & CO<sub>2</sub> data as per ECE R101 / SANS 10101 Regulation. Note that the actual fuel consumption will depend on many factors, including the driver's driving habits, prevailing conditions & the vehicle's equipment, condition & use.

(#2) Payload – preliminary data shown for D-Max models.

(#3) Towing capacity subject to South African Road Traffic Act. The weight of the towing vehicle including trailer towball load must not exceed the Gross Vehicle Mass (GVM). The combined weight of the fully loaded vehicle & trailer must not exceed the Gross Combination Mass (GCM). Maximum individual axle loads (GA1 & GA2) must not be exceeded. (e.g.: if a 3.0 L Diesel is towing 3.500 kg its Maximum Vehicle Mass is 2.500 kg in order to be within GCM). Date of print October 2018.

# COST OF OWNERSHIP

## CLASS-LEADING

Isuzu vehicles are equipped to operate under harsh conditions, while simultaneously driving down your cost of ownership. Thanks to continuous research done by **Kaizen Market Research and Consultancy** – a leading market research and marketing outsourcing company in India – our developers are able to make strategic decisions to craft an **authentic, innovative motor solution** that not only promises legendary **agility** and **versatility**, but also **adds value to your life**.

Isuzu's broad national dealer network, collaborative company ethos and **class-leading servicing** and **parts cost**, as well as local assembly, mean less downtime and cost to company. Altogether it ensures that all repairs and routine servicing are quick and affordable.

*Purchasing an Isuzu is an investment – an active partnership with the goal of lifelong driving pleasure – backed by a brand who consistently produces results aimed at unrivalled reliability, lower running costs, improved versatility and an overall interest in enhancing your life – whether it be work, play or everyday.*

**ISUZU**  
*With you, for the long run*
